REQUEST FOR EVIDENCE

IMPORTANT: THIS NOTICE CONTAINS YOUR UNIQUE NUMBER. THE ORIGINAL NOTICE MUST BE SUBMITTED WITH THE REQUESTED EVIDENCE.

You are receiving this notice because U.S. Citizenship and Immigration Services (USCIS) requires additional evidence to process your form. Please provide the evidence requested below.

Your response must be received in this office by January 26, 2026.

Please note that you have been allotted the maximum period allowed for responding to a Request for Evidence (RFE). The time period for responding cannot be extended. 8 Code of Federal Regulations (8 CFR 103.2(b)(8)(iv). Because many immigration benefits are time sensitive, you are encouraged to respond to this request as early as possible, but no later than the deadline provided above. If you do not respond to this notice within the allotted time, your case may be denied. The regulations do not provide for an extension of time to submit the requested evidence.

You must submit all requested evidence at the same time. If you submit only some of the requested evidence, USCIS will consider your response a request for a decision on the record. 8 CFR 103.2(b)(11).

If you submit a document in any language other than English, the document must be accompanied by a full and complete English translation. The translator must certify that the translation is accurate and he or she is competent to translate from that language to English. UNAVAILABLE OR NON-EXISTENT RECORDS (IF PRIMARY EVIDENCE NOT AVAILABLE)

When primary evidence is unavailable or non-existent, you must submit secondary evidence to establish the claimed relationship.

If a record does not exist, you must submit an original written statement on government letterhead establishing this from the relevant government or other authority. The statement must indicate the reason the record does not exist and indicate whether similar records for the time and place are available. A petitioner who has not been able to acquire the necessary document or statement from the

relevant foreign authority may submit evidence that repeated good faith attempts were made to obtain the required document or statement. However, where USCIS finds that such documents or statements are generally available, it may require that the petitioner submit the required document or statement.

SECONDARY EVIDENCE

Submit the oldest available secondary evidence to establish the relationship between the petitioner and the beneficiary. Submit as much evidence as possible. Evidence that coincides with the date of the event is the most reliable and persuasive for establishing the claimed relationship. This evidence may include, but is not limited to:

- Medical records or health records;
- Church records or religious documents;
- Early school records;
- Insurance records;
- Employment records;
- Financial records ;
- Census or tribal records;
- Government records or identification documents.

Any evidence submitted should include:

- The name(s) of all parties (e.g. name of child and parent(s), both spouses, etc.);
- Dates (e.g. of child's birth, marriage or divorce, religious event, school attendance, hospital admittance, etc.);
- Stamp, seal, signature of issuing official, authorized personnel, etc.

AFFIDAVITS (IF SECONDARY EVIDENCE IS NOT AVAILABLE)

If none of the above secondary evidence is available, you must establish that such evidence is not available by submitting evidence of non-existence. After doing so, tertiary evidence, such as affidavits, may be submitted. However, be aware that affidavits will only be accorded minimal weight unless they are accompanied by other independent and objective evidence that corroborates the affiants' statements.

Affidavits must:

- Be submitted by at least two individuals who are not parties to this petition and who have direct personal knowledge of the event.
    - **NOTE**: USCIS will not consider a single statement signed by multiple individuals. Each person must submit their own affidavit attesting to their personal knowledge of the event.

- Include:
  - The full name and address of the affiant;
  - The date and place of birth of the affiant;
  - The relationship between the affiant and parties to this petition;
  - Full information regarding the event; for example, the date and place of the birth of a child (including both parents' names), the date and place of marriage, divorce, death, etc.; and
  - Complete details concerning how the affiant acquired knowledge of the event.

If you submit a document in any language other than English, the document must be accompanied by a full and complete English translation. The translator must certify that the translation is accurate and they are competent to translate from that language to English. If you submit a foreign language translation in response to this request for evidence, you must also include a copy of the foreign language document.

PLACE THE ATTACHED COVERSHEET AND THIS ENTIRE LETTER ON TOP OF YOUR RESPONSE. SUBMISSION OF EVIDENCE WITHOUT THE COVERSHEET AND THIS LETTER WILL DELAY PROCESSING OF YOUR CASE AND MAY RESULT IN A DENIAL.

Sincerely,

Carrie M. Selby
